

# **Interstate 64 / Denbigh Boulevard Interchange Projects City of Newport News**

**Online Survey Available through February 2, 2024**

The Virginia Department of Transportation (VDOT) is conducting an online survey to receive public input for the proposed projects to construct a new interchange on Interstate 64 (I-64) at Denbigh Boulevard in Newport News. This new interchange would serve as an additional access point along I-64 between Fort Eustis Boulevard and Jefferson Avenue.

National Environmental Policy Act (NEPA) documentation, in the form of an Environmental Assessment (EA), is being developed to evaluate the potential impacts on the human and natural environments that could result from the proposed improvements. The public's feedback is being sought as part of this environmental review for the EA and supporting technical documentation. Please note that the preliminary design plans are in development and not yet available at this time.

VDOT invites the public to share their feedback by completing the online survey by **February 2, 2024**. The survey and more information are available at <https://publicinput.com/i64denbigh>.

For more information on the proposed interchange project, currently planned to be delivered in two phases, visit the project webpages at:  
Phase 1: [www.virginiadot.org/i64denbighph1](http://www.virginiadot.org/i64denbighph1)  
Phase 2: [www.virginiadot.org/i64denbighph2](http://www.virginiadot.org/i64denbighph2)

Comments can also be sent to Mr. Andrew Pike, [Andrew.Pike@VDOT.Virginia.gov](mailto:Andrew.Pike@VDOT.Virginia.gov), or by mail to Ms. Sandra Kochersperger, Virginia Department of Transportation, 7511 Burbage Drive, Suffolk, VA 23435.
